SUPER MINI-FLIPPER!

BAUANLEITUNG

Hast du schon einmal Flipper gespielt? Es ist einfach und macht Spaß! Die kleine Kugel muss mit dem richtigen Schwung über die Rampe in einen der Kreise am oberen Ende gerollt werden. Du kannst dieses Mini-Flipper-Spiel mit den Teilen aus deiner LEGO Sammlung bauen. Es macht nichts, wenn du nicht dieselben Farben wie auf dem Bild verwendest – nimm einfach die Farben, auf die du Lust hast!
